Biographical and historical information

The library of Worcester State University is housed in the LRC which opened in 1971. Prior to this, the library was housed in the gymnasium building (1958-2014), and prior to that on the fourth floor of the Shaughnessy Administration Building. Before the campus moved to its current location, the library was in the main building of the college on Saint Anne's Hill. Until 1971 the library was under the leadership of a designated head librarian. From 1971 to the early 1990s, the library fell under the umbrella of the LRC administration. In 1999, the library saw its first director under the current leadership model.

SCOPE AND CONTENT

The Worcester State University Library Collection features materials relating to collections, operations, and personnel of the Worcester State University library from 1878 to the present. Present are detailed annual reports from the early 1960s to 2018 and include reports from both the LRC and the library. Records from the Technical Services department include annual reports and drafts, and statistical data from the early 1960s to 2014. Print and non-print accessions, cataloging, and conversion records can be found in the series on library holdings.
